

Sample Local Insurance FAQ

This is a sample document included to demonstrate the local PDF-folder RAG workflow. It is not an actual insurance policy.

Topic	Sample information
Waiting period	A sample policy may include a 30-day initial waiting period for specified non-emergency treatments.
Room rent	A sample plan may reimburse eligible room charges subject to the selected plan limit.
Pre-hospitalization	A sample plan may cover eligible medical expenses incurred before hospitalization for a defined number of days.
Claims	The insured should submit required claim documents within the timelines stated in the actual policy.
RAG test question	Ask: What is the sample waiting period? The answer in this document is 30 days for specified non-emergency treatments.

Use this document only as a local RAG demonstration. For real decisions, rely on the official policy documents.
