

Home Loan Overview

Synthetic sample knowledge-base document for local RAG testing

Overview

Key concepts for mortgages, down payments, principal, interest, tenure, and repayment.

Key Information

1. Principal is the amount borrowed before interest and other charges.
2. A larger down payment generally reduces the amount that must be financed.
3. The interest rate determines the financing cost applied to the outstanding balance.
4. Borrowers should compare total repayment, fees, prepayment conditions, and the effective cost of different offers.

RAG Test Notes

This document is intentionally concise and contains distinctive terms so that semantic retrieval can identify it when a user asks a related question. It is sample content and should not be treated as professional, legal, medical, financial, or regulatory advice.
